

Are your Wages being Garnished?

If you are being audited or threatened by Canada Revenue Agency (CRA), or have a lien against house, or your wages are garnished, I can help you NOW!

I will take over communication with CRA on your behalf, to give you a break from those hassling calls and letters. This can now buy you time, to discuss options, and negotiate a settlement beneficial to you.

To find out how I can help you, contact me today for a free 15-minute consultation!

I have helped many clients, and I can help you.

Keep more of your money!

Check my website for more detailed information and an article on what to do when you get an audit letter: <http://www.daelliottconsulting.com/Small-Business.html>
